

THAILAND MISSION

NEWS FROM DANIEL AND CONNIE TURNER

Dear Friends,

Just a quick note to let you know what is up with us right now.

The WEC annual conference has concluded. This is the big decision making meeting of WEC Thailand. It has been decided that the Turners will begin work as a church planting team in the town of Khong Wilai, about 50 km. south of Kamphaengphet city. Two single female missionaries have been assigned to us to make up our team. We will be working in cooperation with a church in Salokbat, and the new church will be planted as a sister church of that church.

Prayer points:

1. Please pray for God's guidance as we look for housing in the new area. Pray also that we will find an ideal location for use as a Christian center from which to begin the plant.
2. Please pray for guidance and anointing on each member of the team, that God will lead us in useful strategies and bring us into contact with the right people.
3. Please pray for male, and particularly, Thai members who can be added to the missionary team.
4. Please pray for any emerging group that we would be able to bring the Gospel to them in a form that they can relate to, and that they can learn to grow spiritually.
5. Finally please pray for each member of the team for spiritual, emotional and physical strength.

As a final note, we will be out of the office for two weeks and may be delayed in answering any e-mail during this period, until the 4th of August.

Thanks for praying and may the Lord bless each of you.
Danny and Connie
