NEWS FROM DANIEL AND CONNIE TURNER

Dear Praying Friends,

Thanks so much for continuing to remember us in prayer. We praise God for His great faithfulness to His purpose, and we praise Him that He uses us in it.

Two weeks ago our evangelism team were blessed to evangelize with the church planting team in Samngao, yet another time. I believe this is the third time we have worked there.

During the week we visited door to door, and had evening presentations in the Sala Baan, or neighborhood centers, of the villages we visited. These Salas are covered areas used for community functions, and everyone in the village knows where they are.

PEOPLE WATCH SKIT

One particular night, just after we had finished setting up our drama and film equipment, it began pouring down rain. This being the rainy season it was not at all surprising, but we had been praying for dry weather during our presentations. Due to the rain, we had only about 20 or 30 people to come and watch, but a plus was that once there, nobody could leave, and they stayed through the entire show. 3 teenage girls in particular were very interested, and we were able to spend some time talking with them and the others who came by after the meeting was finished.

THE NEXT DAY we set up in an afternoon market to evangelize, and prayed again that it would not rain on us. Dark and threatening clouds surrounded us and poured buckets on all the surrounding neighborhoods, but did not touch us.

The same 3 girls from the night before showed up, and this time gave their hearts to the Lord.

We thank God for His faithfulness, that when we pray and commit our paths to Him, He arranges things in ways we don't always understand, but they bear fruit.

Please pray for the church planting team in Samngao, that the Lord will help them in the follow upon interested people. Pray also for those who have been touched by the gospel there, that this will continue to bear fruit.

CHUCHART WITNESSING

Please do continue to pray for our evangelism team as well, that we would continue to be fruitful, and empowered by the Lord to take His gospel out. This week a 2 day prayer meeting is planned, which will include the Thai Church Leaders and the Missionaries where we work. Believe it or not, this is the first time something like this has happened, at least in recent memory.

We will be praying for the leading of God to understand His purpose together in the areas we work. Our team has been given responsibility to lead this meeting. Please pray for wisdom and revelation, and for the release of the power of the Holy Spirit, that we would become both the Salt and Light that the Lord intends.

May the Lord bless you,

Danny and Connie Turner
