CLARK & SUE SLONE DIRECTORS OF CHRIST IS THE ANSWER INTERNATIONAL MINISTRIES

Clark and Sue Slone have two sons, Grant and Todd. Todd is married to Angela and they have a daughter named Ashley. Clark and Sue have been married for 33 years. They have been in ministry and traveling with the tent since late 1973.

Clark was a young banker when the Lord gave him and his wife the opportunity to work with young people in the drug culture of the 70's.

They took a step of faith and sold their possessions to work with a traveling tent ministry called, "Christ is the Answer" that had an enormous outreach to the youth of during that time. After a year of service in America, they went to Europe in 1975 to help an embryonic work that had started a year earlier of Christ is the Answer in Europe. From there they labored going from city to city all over Europe reaching out to young people for the gospel.

Their numbers increased and over the next years over 17 groups were formed evangelizing from Europe to Asia and Central America. Clark does not take credit for this but was just a part of hundreds of people who literally forsook all to go and preach the gospel. To do this ministry affectively we started living on the road in tents and buses in community life-style sharing their lives for the sake of preaching the Gospel.

Not for summers or months but years of service in the same manner being, literally, pilgrims just passing through. In this manner they have seen thousands come to the Lord year after year, filling up the big tent, nightly.

During the day, reaching out to souls through street meetings, passing out tracts and witnessing one on one. It has been very fruitful and they pray to see many saved and sent for service to obey the great commission and leave a mark for the gospel before Jesus returns.

Christ is the Answer doesn't have another religion to bring or another doctrine to teach. We preach Christ crucified and our goal is to evangelize as many people, in as many places as possible before our Lord comes back. We desire to impact a vision of world evangelization to the Church. This vision will put a burning desire in the hearts of believers to win souls and to send out more missionaries.

Christ is the Answer wants to give believers an opportunity to serve on the mission field regardless of their past experience, education, or requiring financial support. The only necessary degree is the degree of a fervent heart.
