

NEWS Jesus Christ is the ANSWER

TO MY DEAR BROTHERS AND SISTERS IN CHRIST,

It is an amazing thing how after being in a place for

15 days evangelizing with the tent that we develop such a connection with the people. And once again it happened in Barzava, Romania where we finished our meetings on Wednesday, July 11.

For fifteen days we faithfully preached the gospel, both to adults and children. And as we have reported before we had, nightly, in the tent anywhere

from 10 to 100 unconverted people. According to the local pastor with whom we were working these unconverted people had never come to the local church. So, once again we see the way a tent can be used to reach the lost.

In this particular evangelization we did a new program for us that we call 'The Ten'. We used the Ten Commandments as a tool of evangelism. We started with number ten and worked our way down to number one. We found this program to be

beneficial both to the converted and to the unconverted. Many believers wanted a CD copy of these messages. It is wonderful to see how this ancient wisdom of God given to men thousands of years ago is still relevant for man in 2007.

We have done our part and now it is the job of the local church to follow up. We discovered that they are very keen to do this, and we praise the Lord for that. We have heard, though, from an elder in the

local church how two people have already asked for water baptism, which is a big step for people here in this country where the Orthodox Church dominates. And we have heard about a local young woman, who is known to be a prostitute, who was very touched during the time of the evangelization. She commented on how much she felt peace when she

was under the tent. Let us pray for the local church as they follow up on her that she will come to know

the peace of God in her heart and turn away from her present life style. Someone said that when the prostitutes come to your meetings it is an indication that you are preaching the gospel that Jesus

preached! Well, we hope, so and we believe that we are. We know that we sowed good seed, and that it will bear fruit for the glory of God.

One of the other highlights of our time in Barzava, that I would like to mention, was how when it came time to put the tent down several children turned up to help with the work, and they really did help. I

I could understand better the words of Jesus about children. It was

wonderful to see their eagerness and willingness to work together for the good of all.

Please continue to pray for us as we plan to set the tent up once again at the end of July for a 12 day evangelization in a town in the county of Arad called, Sag. We will keep you posted.
