Jesus Christ is the ANSWER

As I thought about writing this prayer letter the following verse came to my mind:

God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord. I Corinthians 1.9

Since putting the tent up for the first time this summer in May we have done our best to keep you informed as to our activities, at least those who have e-mail. So, I do not want to repeat the things that I have already written trusting of course that you took the time to read our prayer letter!

What I want to do is to express in the first place our recognition of and thankfulness toward the Lord and His faithfulness. We know that we could not have gone out with the tent again this year if it had not been for the Lord helping us. We also want to thank all those believers who had a part in the evangelism that we did this summer whether believers from abroad who helped us with their finances, or those local believers who sweated with us setting the tent up, and helping us with the actually spiritual ministry at the meetings. We praise the Lord that He allowed us to be part of all this!

LIPOVA:

This summer's evangelism was highlighted by our last tent evangelism in a small city in the county of Arad called, Lipova. This town is especially known locally for

its excellent mineral water. From now on, though, it ought to be known for how the different pastors and churches worked together to bring the gospel message to their city. Usually where we work with the tent there is a Pentecostal church and a Baptist church. And most of the time they will work together with us. But in Lipova there were four Pentecostal churches, two Baptist churches and a Charismatic church. On top of that some of the churches were very conservative and others less so, but

still they all worked together. Now that may not seem like a big deal to you, but let me tell you that it is something significant here in Romania. And I want to recommend in the first place the pastors of these churches who lead their fellowships in this direction. May the Lord bless them and continue to use them in this spirit of unity for the sake of the kingdom of God.

Subsequently the meetings were well attended. In fact we saw the best attendance in many years of both believers and unbelievers. We praise the Lord that we could spread a table, so to speak, with the good things of the gospel, and invite people to come and partake by faith. We would also like to mention that we found once again favor with the city hall as they gave to us free of charge a property at the local soccer stadium. This of course was very

important in reaching the city with the gospel.

TRAVELS

After taking the tent down, and putting it away for the winter I was able to visit my daughter and her family in Sarajevo. It was a joy to see my new grandson, Jack, as well as my two grand daughters. PTL! While I was there I was able to preach in one of the churches where my son-in-law and daughter serve. I was warmly received by the

pastor, Slavko. I was also able to touch base with two other pastors, and we were able to encourage one another. The work of the Lord is not easy in Bosnia, and I want to ask you to remember to pray for the church there. They are faithfully serving the Lord.

Going to Bosnia was the first long trip that we took with our new vehicle, and I am happy to report that we got great gas mileage! I was actually surprised at how good it was. So I praise God for that, and want to thank once again everyone who helped us purchase this vehicle.

After getting back from Bosnia we took off for the weekend to travel to a city in central Romania by the name of Blaj. We preached at a specially organized evangelization on Saturday and Sunday afternoons in a newly planted church. There were present several non believers; among them several young people. There seemed to be a real hunger for God both in those meetings, and in another church that we preach in on Sunday morning.

A BIG THANK YOU

By the time that you receive this prayer letter I will be in the USA. I have been invited to participate in a mission conference in Maryland organized by Pastor Terry King and then to participate in a leadership summit organized by brother Terry and the other leading members of AIM INTERNATIONAL MINISTRIES (AIM). In fact I want to express my appreciation for Terry and for Pastor Dan Hass, the pastor

of my home church in Aurora, IL., for sponsoring this visit to the USA. I appreciate very much their fellowship and support of our ministry in Romania.

I want also in this prayer letter to express my appreciation for Dr. Paul Gaehring of REDEMPTION MINISTERIAL FELLOWSHIP INTERNATIONAL (RMFI) for sponsoring my participation in their annual conference in Greenville SC.

I also appreciate very much their fellowship, and support of our ministry in Romania. In fact at that time, the end of April, I was able to travel through Chicago, and sort out the problems caused by my wallet being stolen last spring in Albania.

And I want to express my appreciation for all those who pray for us and support us with their finances. Together we are a team!

PRAYER REQUESTS:

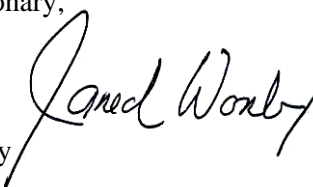

Please pray for my time in the USA, that it would be fruitful.

When I return to Romania we are committed to teach one of our seminars – Salvation to the Uttermost – in a new church plant in Lipova.

And please pray for a forth coming trip that I will make with a dear friend and brother, Clark Slone, to Israel. Clark visited Israel earlier this year not just to see the Holy Land but also to spy out the land regarding the starting of an evangelistic work there. I have been invited to be part of this, and so we will go in January to further spy out the land with him. Pray please that the Lord's will, would be done. If, in the event, that comes to pass, the starting of a team there, then this would be a big step of faith for us.

I love and appreciate you all. May the Lord bless you all!

Your missionary,

Jared Worby
